

An aerial photograph of a city skyline, likely Toronto, with the CN Tower visible on the right. The city is surrounded by a large body of water, possibly Lake Ontario. The sky is clear and blue.

The Mediterranean City: A Conference on Climate Adaptation

Los Angeles, June 25-28, 2012

Adaptation Strategies, Energy - Session 3 – Discussion Topics

Adaptation Strategies, Energy Session 3 – Discussion Topics

- Adaptation – likely impacts of concern
 - Focus on Energy!
 - Role of cities
 - Mediterranean climates
 - Technological challenges
 - Behavioral challenges
 - Energy (and env) management systems
 - Assurance – build trust, drive performance
- Water nexus – hydrology
 - Growth
 - Infrastructure and transportation
 - Existing policies, planning, risk management
 - Generation – resource mix
 - Transmission
 - Efficiency and demand management
 - Responsible use of limited resources/
funding
